KALYANI CAST TECH LIMITED

Kalyani Cast Tech Limited

MANUFACTURE FOR INDIA AND WORLD

SHIPPING

RAILWAYS

LOGISTICS

WE INNOVATE, DESIGN, DEVELOP AND MANUFACTURE CARGO CONTAINERS IN ORDER TO REDUCE LOGISTICS COST

About Us:

❖ One of Biggest Container Manufacturer in India.

❖ Company is total Area of 5 acres with more than 10000 Sqm Covered Area

❖ Situated 80 Kms from IGI airport Delhi in Rewari Distt of Haryana. India, next to ICD/ PFT, Pali of DP World, well connected by rail and road and situated on WDFC.

❖ Only Company in India which is approved for corner castings for International Standards.

❖ Created full eco system for container manufacturing viz Indianization of all import components such as corner casting, door components etc.

❖ Listed on Bombay Stock Exchange (BSE).

❖ We innovate, design, develop and manufacture various types of cargo containers viz ISO containers 20', 25', 40', 42' and other special containers including dwarf containers, cuboid containers, special containers for parcel cargo, containers for two and three wheelers as per international Standards in order to reduce logistics cost. We have in house design and development facilities.

❖ Annual capacity of manufacturing containers:6000-7000 TEU's.

❖ We manufacture FRP sheets for flooring of Dwarf containers in house as per our technical specifications.

Future Plan:

1. Setting up of new wagon Factory in Village Shiv Lakha, Taluka Bachau Distt Kachchh, Gujrat.
2. Setting up of Gati Shakti Cargo Terminal
3. Setting up new container factory for increasing the existing facility from 6000 TEUs to 16000 TEUS in view of expected demand in near future.

DESIGN ● FABRICATION ● TESTING

OUR PRODUCTS

40′ Dwarf Container:
67% Additional Volumes on
Railway Wagon
Gross weight 36.0 T Payload 32.5 T

LTL Cargo Container
Gross weight 3.3 T
Payload 2.5 T

20 FEET TANK CONTAINERS
(20' X8.5' X9.5') having G.W.
of 36.6 Ton and Payload of 33 Ton

HOPPER CONTAINER
(20' X8.5' X9.6') having G.W.
of 36.5 Ton and Payload of 32.7 Ton

40 FEET DWARF OPEN TOP CONTAINER
Covered with high quality tarpaulin
(40'X8.5'X6.3') having G.W.
of 73 Ton and Payload of 67.5 Ton

20' ISO HC Container Gross weight 30.9T Payload 28.5T

40'X8.5'X6.3'
Stainless Steel Container
Gross weight 73 T
Payload 68.2 T

42' FEET WIDER DWARF CONTAINERS (42' X9.3' X6.3')
having G.W. of 68 Ton and Payload of 62.5 Ton

25' Container Gross weight 34 T
Payload 30.85 T

40′ ISO Steel frame Gross weight 30.48 T Payload 25.88 T

40′ Dwarf Container: Fitted with FRP Flooring

20′ ISO Container Gross weight 30.50 T Payload 28.25 T

Lloyd's Register

Steel Castings

Manufacturer Kalyani Cast Tech Privite Limited

Address Village Mamria Thether District Rewari, Haryana, 123101, India

Type Steel Castings

This approval is subject to compliance with the Rules for the Manufacture, Testing and Certification of Materials. The full details of the processes and grades to which this approval applies are given on subsequent pages of this certificate.

This certificate is issued to the named manufacturer, and is valid until the expiry date specified. Lloyd's Register is to be notified of any change that may affect the validity of this certificate, and reserves the right to cancel or withdraw this certificate.

Approval Notes Approved for the manufacture of container corner fittings in accordance with LR Rules for Materials Chapter 4, Section 6.

Corner Castings as per ISO 1161 Latest

FACILITIES

FOUNDRY SECTION

- 2000 Kgs and 1000 Kgs Induction furnaces.
- Produce single casting from 20 kg to 2000 kg
- Heat treatment furnace of 10 T capacity having automatic temp. control and recorders, with water quenching facility.
- Swing frame grinders, hand grinders, pneumatic chippers
- Welding and Air arc gouging machine
- Approved welders and welding procedures.
- Lathe Machine, Drilling.

CONTAINER FABRICATION

- Automatic Welding Machine for Side wall, end walls: 3 Nos.
- MIG welding Machines: 100 Nos.
- Jigs and fixtures for Side wall, End wall, Underframe, Doors & Boxing of containers: 5 Independent sets
- Automatic Shot Blasting machine equipment: 1 Nos.
- Paint Booth: 2 Nos.
- Container Test Rig for testing all kind of containers as per IS1496 Series-1
- Floor Testing Equipment for testing floor strength.
- In house Production of corner castings: 200 per day
- FRP for flooring System
- Water test for containers.

QUALITY CONTROL FACILITIES

- Spectrograph
- Metallurgical Microscope
- UTM of 40 T capacity, Impact Test, Impact test at Sub-zero of-45C, Hardness tester, Portable Hardness tester, Shadowgraph.
- All sand testing equipment
- USFD, MPI and DP test facility
- Radiography facility.

MAJOR INDUSTRIES CATERED TO

- Indian Railways
- Sugar Mills
- Power Sector
- Container Train Operator Shipping Line
- Engineering Equipment
- Power Press
- Al Die Casting Units.
